Operation Werewolf : The Complete Zines

Synopsis

Collected here for the first time together in print, "The Complete Zines: Volume 1" are a visual look inside the mind and mission of Paul Waggener over the course of the last decade. From the radical "back to nature" edicts of the REWILDYOURLIFE 'zine, to the militant strength culture of Operation Werewolf's "Iron and Blood," this collection spans over ten years of eso-terror, self creation, transformation, and annihilation.
