Synopsis

REA's FTCE Social Science Grades 6-12 Test Prep with Practice Tests on TestWare CD Gets Florida Teachers Certified and in the Classroom! Updated 2nd Edition! Nationwide, more than 5 million teachers will be needed over the next decade, and all must take appropriate tests to be licensed. REA gets you ready for your teaching career with our outstanding library of Teacher Certification test preps! Scoring well on the FTCE (Florida Teacher Certification Examinations) doesn't just help you get certified to teach, it helps move your career forward! REA's updated second edition of our bestselling FTCE with TestWare test prep shows you how to score high on the exam and get certified! Designed for persons seeking certification as social science teacher in Florida, our complete study package contains an in-depth review of all the topics tested on the official exam, including geography, economics, political science, world history, U.S. history, and social science and its methodology. A customized study schedule and REA's expert test-taking strategies offer advice on how to prepare for exam day. Two full-length, multiple-choice practice tests in the book and on CD help you test your knowledge and focus on areas in need of improvement. Each practice test is balanced to include every type of question, subject area, and skill tested on the actual exam. Our practice tests replicate the FTCE question format, allowing you to assess your skills and gauge your test-readiness. Both of the book's practice exams are featured on our TestWare® CD with the most powerful scoring and diagnostic tools available today. Timed testing conditions, automatic scoring, and instant reports help you zero in on the topics and types of questions that give you trouble now, so you'll succeed when it counts! Every practice exam comes with detailed feedback on every question. We don't just say which answers are right; we explain why the other answer choices are wrong; so you'll be prepared. Our detailed explanations of answers help you identify strengths and weaknesses while building your skills. This book is a must for anyone seeking certification as teacher in Florida! REA books and software have proven to be the extra support teacher candidates need to pass their challenging tests for licensure. Our comprehensive test preps are teacher-recommended and written by experts in the field.

Customer Reviews

I purchased this book in August 2014 as a primary study resource for the FTCE Social Science 6-12 test. In January 2015, after months of intermittent studying between working two part-time jobs, I passed the test on my first try... with and without the aid of this book. I'll start by critiquing the content of how this book is structured chapter by chapter (ranked 1 to 10, with 1 being awful and 10 being awesome), followed by my opinion on the strengths and weaknesses of the book as a whole, and then my overall insights to help you capitalize where the book succeeds at and falls short of helping you pass this important test. So let's start with those chapters, shall we? GEOGRAPHY: This section of the book provides a primer that will adequately suffice for the sake of this test. The five themes of geography discussed is the most informative part here. However, this section is largely underwhelming due to the author's blasÃ© attitude toward the subject and lack of illustrated examples on how to analyze a given map. While there are lots of bolded terms on the study of geography, there is a glaring omission of terms related to geographical formations (such as a basin, isthmus, tributary, etc.), which constituted several questions on my actual test. Look this section over once so you're familiar with what you'll be tested on, and then find a stand-alone atlas or world history textbook with a supplemental atlas to provide a greater depth on geography.

(4/10) ECONOMICS: This brief chapter, unlike geography, comes closer to reality when outlining what you must know for the test. While a lot of economic questions I had were more practical than theoretical, the concepts you will need to apply are here. Pay close attention to competencies 2.1 through 2.
