LSAT Secrets Study Guide: LSAT Exam Review For The Law School Admission Test

Synopsis

Includes Practice Test Questions Get the test prep help you need to be successful on the LSAT test. The LSAT is extremely challenging and thorough test preparation is essential for success. LSAT Exam Secrets Study Guide is the ideal prep solution for anyone who wants to pass the LSAT Exam. Not only does it provide a comprehensive guide to the LSAT Exam as a whole, it also provides practice test questions as well as detailed explanations of each answer. LSAT Secrets Study Guide includes: A thorough and detailed overview of the LSAT A guide to the reading comprehension test An in-depth look at the analytical reasoning test An examination of the logical reasoning test Comprehensive practice questions with detailed answer explanations It's filled with the critical information you'll need in order to do well on the test the concepts, procedures, principles, and vocabulary that the Law School Admissions Council (LSAC) expects you to have mastered before sitting for the exam. The Reading Comprehension Test section covers: What are your options Active reading Breaking down the questions The Analytical Reasoning Test section covers: Rule busters Analytical reasoning questions Skipping problems: some advice The Logical Reasoning Test section covers: Logical reasoning section Red herrings Logical reasoning basic concept New information questions Parallel reasoning questions These sections are full of specific and detailed information that will be key to passing the LSAT Exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answers, and that's another area where our guide stands out. Our test designers have provided scores of test questions that will prepare you for what to expect on the actual LSAT Exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. We've helped thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for our test preparation guides, and our LSAT Exam Secrets Study Guide is no exception. It's an excellent investment in your future.

Customer Reviews

This review was done by my husband who is very much into text books for fun. "Although the primary material of the book (the review of specific testing knowledge), the best part of the authors' work was the secondary material (the outside tips, strategies, and test-day preparation) that propels this book to a higher level amongst its peers. The review material covers every possible question type that could occur in a real LSAT, paints the roadmap of how to best survey and solve each question, and gives an example to boot. All knowledge sections are covered (Reading Comp, Analytical Reasoning, Logical Reasoning, and the Writing Sample). As I said before, the best part was the material not specifically covering the exam, but the meta-information, as it were, about the exam. The authors take the time to cover the logistics of the exam, from registration dates to a test-day materials needed list and tips for preparation. The answers and explanations for all the sections were helpful in understanding the content covered previously. The solutions are in depth and cover not only why the answer was correct but also why each other answer was incorrect. The flow from section to section was seamless and aligned towards the test itself. First covering the study tips then the test-day information, both before the primary material, the authors displayed their emphasis on the secondary material. The layout of study, test, answers, success strategies and "secret keys", was organized to prepare students for the exam, demolish the students, and finally pick them back up and put them back together again.
