Customer Reviews

Solid for learning on your own the basic. Saved me 4 grand of school. Just be self motivated and you'll be fine.

Prepared me well for the exam - However there are a lot of grammar and spelling errors. Also some of the answers are flat wrong. -But overall, good book to prepare you, very simple and to the point.

This book is ok. It generally tells us what kind of questions I might probably come across when it comes to the real exam. Still working on it. Hopefully I can pass it with just one try!

My boy wants to enter the Law Enforcement Academy after HS. Every thing he needs to study to pass the entrance exam is in this book. was the only place we could find it.

Haven't looked in the book yet but it seems to get the job done (hopefully) il really need to pass the BAT

Very basic book. You dont need this book to pass the FBAT. You can do without it.
