Real Moms...Real Jesus: Meet The Friend Who Understands

Synopsis

Tired of feeling like no one understands your struggles as a mom? Look no further. What does Jesus know about the everyday life of a mom? Plenty! Jill Savage, founder and director of Hearts at Home, introduces the real Jesus to real moms. Through chapters that examine key behaviors and decisions Jesus made during His life on earth, Jill brings those lessons right down to the tiring, laundry-filled, sticky-fingered days every mother knows. Between the chapters are interactive vignettes that provide brief, refreshing glimpses into real, messy, busy lives. In *Real Moms . . . Real Jesus*, Jill continually reminds the reader that Jesus is not an unattainable deity, but a Friend who truly understands. A Leader's Guide is available for mom's or small group study.

Customer Reviews

For we do not have a high priest who is unable to sympathize with our weaknesses, but one who in every respect has been tempted as we are, yet without sin. Hebrews 4:15 As moms, we sometimes struggle with feeling like no one really understands. We believe Hebrews 4:15 in a general sense, but never really think about how Jesus might be able to relate to some of the specific situations we encounter as moms. Jill Savage, executive director of Hearts at Home and mom of five herself, sets out to show us that He really does relate to our lives, in very specific ways in her newest book, *Real Moms...Real Jesus: Meet the Friend Who Understands*. It focuses on the struggles all moms face and offers encouragement that Jesus both understands completely and offers us the perfect example of how to handle each situation. *Real Moms...Real Jesus* has a unique format. First comes

a short, two to three page "perspective" section, which poses a real-life scenario for a mom and then relates an actual event in the Gospels that illustrates how Jesus' experiences parallel it. For example, the third "perspective" is titled "Can I please go to the bathroom alone?" No explanation needed for most moms on that one, but Ms. Savage points out that, when we read the Gospels, we see that large crowds were constantly following Jesus everywhere He went. When He tried to slip away for a few moments alone to pray, they found Him. He truly does understand the weariness, the need for just a few moments of peace and quiet so we can hear ourselves think...He's been there! This is followed by a prayer with space for journaling, a suggested reading (following these will take you through the entire book of Matthew as you read the book), and a key verse.
